

The logo consists of three large, 3D, metallic-looking letters: 'C', 'C', and 'G'. The letters are rendered in a gradient of green and blue, with a white highlight on the top edge, giving them a three-dimensional appearance. They are set against a dark green horizontal band that spans the width of the page.

ABOUT OUR COMPANY

CCG Premium Recovery Group is a firm dedicated to the recovery of overcharged Workers' Compensation premiums. With over 60 years combined experience with Workers' Compensation policies, we will analyze all aspects of your past and present policies to recover any premium dollars paid out due to overlooked and undetected errors. These are just a few of the areas that CCG monitors:

Modification factor, Payroll Worksheet, Classification, Final Premium Audit & More

The best part about this, is that all services are provided on a contingency basis. This means, unless we recover your money, **YOU PAY NOTHING!** Our process has been designed to minimize any work for the broker and insured. Sign off, and **LET US DO THE WORK!**

Who Qualifies? If your business has been in operation for at least 3 years and has a minimum Workers' Compensation premium of \$35,000.

WHAT ARE PEOPLE SAYING

"Since we have started using CCG, our workers' compensation is the lowest it's been in years. I am extremely pleased with the money that CCG has generated in our workers' comp. area and I highly recommend their services."

-Joseph Purcell, Personnel Temporary Services Firm

"It has been my pleasure to work with CCG Group for several years. During that time, your firm has helped us recoup thousands of dollars in lost premiums. We found your process to be seamless, simple and successful. I would highly recommend your firm to anyone who would be interested in recovering lost premium dollars."

-Roy Leitstein, M.S. Executive The Children's Home

AS AN INSURANCE AGENT

As an agent, when you team up with CCG Premium Recovery Group, you give your clients the opportunity to have CCG review their Workers' Compensation policies to ensure there are no undetected errors driving their premium costs. All work is performed on a contingency basis. CCG's service comes with a zero out of pocket expense.

NO RECOVERY = NO FEE!
